

GREG HAHN

From Corporate Employee to Corporate Entertainer!

A favorite on the nationally syndicated Bob and Tom Radio Show. He has appeared on Late Night with Conan Obrien, Comedy Central, CBS, ABC, FOX, MTV and CMT.

Greg Hahn has parlayed his absurdly energetic, all out style of physical humor, one liners and crowd work, into an act with no waiting for the funny, just immediate pandemonium and panic. His massive likeable and wild stylings have led to numerous television, club, corporate and now theater appearances throughout the country.

Developmentally arrested, Greg was raised in South Florida where in high school he amused the Catholic nuns by poking holes in his pockets enabling pens and pencils to shoot out of his pant leg.

As a college basketball player his tendency for half court shots got him benched.

As a Captain in the Marines Corps, Greg kept his men highly motivated and could not overemphasize that camouflage is continuous.

While a buyer for Lockheed Corporation, he thought “Why make \$200 a day, when I can be a comedian and make that in a week!”

After several serious jobs where he refused to be serious, Greg turned pro as a stand up comedian and landed the absurd gig as emcee for a lumberjack show at Six Flags Great America. This show supplied him with a microphone, four huge audiences a day, drunk ax swinging lumberjacks, and a log rolling dog.

Soon afterwards, he worked as an actor in the Wild Wild Wild West Stunt Show at Universal Studios. “For \$20 an hour, I’d run out, fall down a few times and get hit in the head with a stick, perfect!”.

He continually honed his unique style of comedy and headed to New York City. While in New York, Greg developed into a touring headliner and costarred in the independent film Tomorrow Night which premiered at the Sundance Film Festival. Then, after successful shows at the Montreal and Chicago Comedy Festivals, Greg enjoyed hit television appearances on Late Night with Conan O’Brien (NBC), Premium Blend (Comedy Central), Make Me Laugh (5 episodes, Comedy Central), Louis CK’s Pulp Comics (Comedy Central), 30 Seconds to Fame (Fox), Cedric the Entertainer Presents (Fox) and Star Search (CBS).

When appearing on Star Search, Greg was spotted by Tom Griswold of the nationally syndicated Bob & Tom Radio Show. Greg has since established himself as a favorite guest on the show and starred on the Bob @ Tom Comedy Central Special. He also headlines the Friends of The Bob @ Tom Theater Tour, which included a stop at the Las Vegas Comedy Festival.

A return appearance to the Montreal Comedy Festival along with the Halifax Comedy Festival and wild appearances on Country Music Television’s “Comedy Stage”, “Comics Unleashed with Byron Allen” and running for president on “TOSH.O” (Comedy Central) have added to Greg’s popularity.

Greg now lives in Los Angeles where he continues to infiltrate the TV and movie biz with the intention of buying a llama farm and a kitchen fish tank.
